- Conducted Bridge Course for first Year Diploma Students of Civil and Architecture.(At Shri.KLS VPP Belg-Karnataka)

Publications

- Prof. Gauri L. Patil and Prof. Kiran Ghorpade, “Risk Analysis in Flyover Construction”International journal of Science and Engineering development research(IJSDR),ISSN-2455-631, Volume 4 Issue 8, August-2019,pp. 27-32.
- Prof. Gauri L. Patil,Prof. S. S. Deshmukh,Prof. S. C. Tandale and Prof. Kiran Ghorpade,”Evaluation of Critical Risk in Construction of Flyover Project”International Journal of research and analytical reviews(IJRAR), Volume 6 Issue 2,June 2019,pp. 307-312.

Project guided:

- Extensive Survey for bund
- Silica concrete Fume
- Planning and Estimation of bund.
- Rain water harvesting
- Green concrete
- Smart City
- Architectural planning and modeling of Architecture Office
- Architectural planning and modeling of Architecture Resort

Subjects Taught:

- Surveying
- Construction Management
- Building Materials
- Strength of materials.
- Building and Architectural drawing.
- Hydraulics.
- Transportation.
- Irrigation Engineering.
- Public Health Engineering.

Other Interests

- Personality Development.
- Other Extra-curricular activities.
- Model Making and Presentation Drawing.
