**NOTICE**

Date-17/9/2021

**Electronics And Communication Organization Of Realistic  
Engineers (ENCORE)**

The students who have applied for the post of President and Vice-President of ENCORE are informed that the interview is scheduled on 20/09/2021 at 9.15am. Students are instructed to bring Biodata / Resume and achievement/winning/organizing certificate while coming for the interview. The decision of selection committee is final, and selection is based on academics, attendance, experience in sports, events, extra-curricular, leadership abilities, communication skills, etc.

**ENCORE COMMITTEE 2021-22**

Warm Greetings !!!

All the students are informed that EnTC Engineering Students Association Cell of EnTC Department has formed the ENCORE committee for the academic year 2021-22. The committee is comprised of the following member in ENCORE.

| Name of the Students                 | Designation                      |
|--------------------------------------|----------------------------------|
| Mr. Amar Sayyed                      | President                        |
| Mr. Ashish Katkar                    | Vice-President                   |
| Mr. Aditya Tanjane                   | Treasurer                        |
| Mr. Shubham Galgale                  |                                  |
| Ms. Shravani                         | Technical Event<br>Co-ordinators |
| Mr. Yash Guddeti                     |                                  |
| Ms. Aishwarya Bagal                  | Anchor                           |
| Mr. Omkar Patil                      |                                  |
| Mr. Tejas Vairal                     | TE Class Representative          |
| Mr. Omkar Patil                      | Cultural Co-ordinator            |
| Ms. Aishwarya Bagal                  |                                  |
| Ms. Prajakta Takle                   | Sport Co-ordinator               |

### Teachers Day Report

|                          |   |              |                     |
|--------------------------|---|--------------|---------------------|
| <b>Date:</b>             | 05/09/2021  | <b>Time:</b> | 01:00 pm to 3:00 pm |
| <b>Venue:</b>            | Virtual Zoom platform   |              |                     |
| <b>Title of Program:</b> | Virtual Teachers Day Celebration  |              |                     |
| <b>Speakers</b>          | Prof Dr. N.J.Uke (Principal) and Prof. D.D.Kulkarni(HOD of E&TC Department) |              |                     |

Marking a long association with the Student and teacher. In India, **Teachers' Day** is **celebrated** annually on September 5 to mark the birthday of the country's former President, scholar, philosopher and Bharat Ratna awardee, Dr Sarvepalli Radhakrishnan, who was born on this **day** in 1888.

Teachers' Day is a special day for the appreciation of teachers, and may include celebrations to honor them for their special contributions in a particular field area, or the community in general.

The idea of celebrating Teachers' Day took root in many countries during the 19th century; in most cases, they celebrate a local educator or an important milestone in education. This is the primary reason why countries celebrate this day on different dates, unlike many other International Days. For example, Argentina has commemorated Domingo Faustino Sarmiento's death on 11 September as Teachers' day since 1915.[1] In India the birthday of the second president Sarvepalli Radhakrishnan (5 September) is celebrated as Teacher's Day since 1962[2] and Guru Purnima is traditionally observed as a day to venerate teachers by Hindus.

### **About Program:**

The Engineering Community across India is celebrating Engineers Day on 15 September every year as a remarkable tribute to the greatest Indian Engineer Bharat Ratna Mokshagundam Visvesvaraya (popularly known as Sir MV). The celebration of Engineers Day was organized by E&TC Engineering student association cell ENCORE and faculty coordinators work cordially for the smooth conduction of the program. In this Program, Students have delivered speeches on Sir Mokshagundam Visvesvaraya . The Session was started at 12:20 pm and during the session from 12:20 pm to 3:20pm, the speaker Prof. Dipti Kulkarni,, HOD E&TC "Role of Engineers in developing India". The Engineers day was celebrated by an event conducted for students named "Mock Campus Placement".

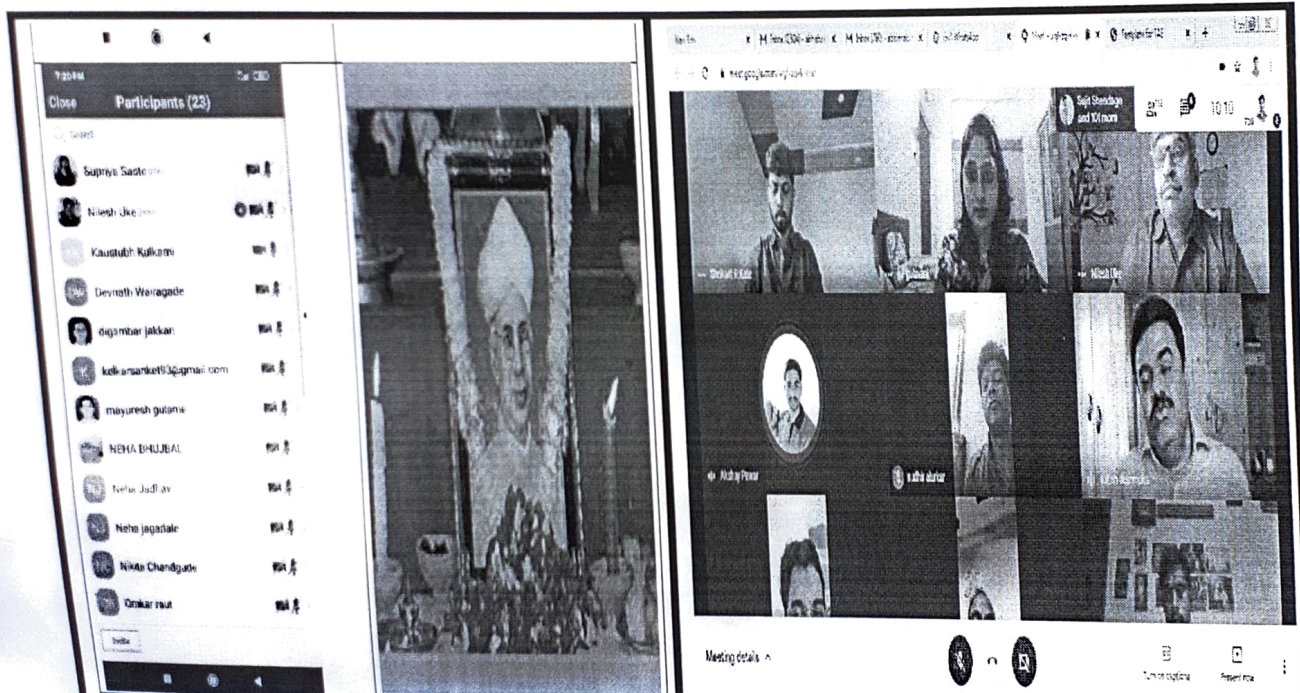

There was near 150 students who attended this program. We are expecting more participation of students in the program of student association cell in near future.

Thank You.

## Program Outcome:

1. Students got experience of group discussion and aptitude test.
2. Students got experience of campus interview.

| Targeted Audience:       |             | SE   |                     |
| No. of students present: |             | 58   |                     |

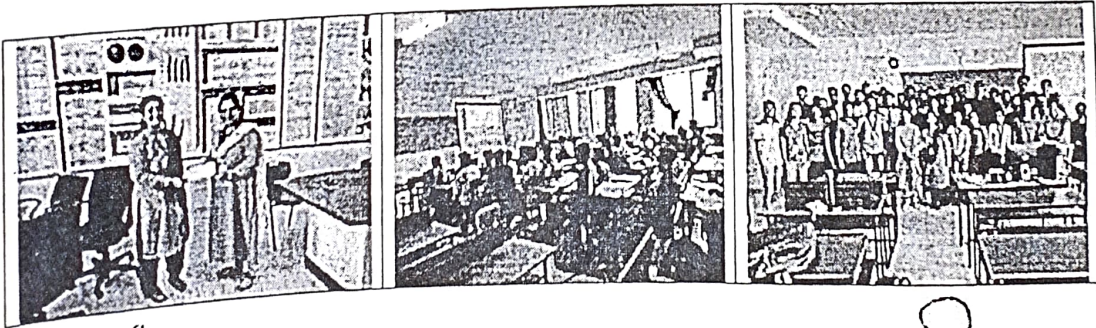

#### About SDP:

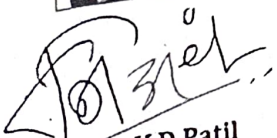

Department of Electronics & Telecommunication organized guest lecture on application of digital control system. Guest invited was Mrs. Vijayalakshmi Kumbhar, Assistant Professor, Dept. of E & TC, PCCOER, Ravet.

The programme was initiated with introduction of guest. Then after Mrs. Kumbhar started the session. The session was intended to explore the knowledge of digital control system theoretically as well as practically.

#### Program Outcome:

1. It helped in to reduce the fear of students of subject
2. It helped in boosting the confidence of students.

### About program

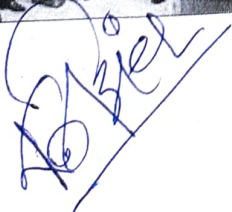

KJEIS Trinity Academy of Engineering arranged Project Exhibition Cum Competition for BE Students. Many students of Second year Engineering also participated. Total More than 50 students were participated.

The Programme was Initiated With Ribbion cutting By hand of Dr. V. J. Kakhandki, Director, KJEIS. Mr. Sameer Kalla, Director , KJEIS was also present.

All students demonstrate their project with all aspects. Judges asked questions to students. Students also took remark, suggestion of every visitor . The programme was end with appreciation to the guest.

ENTC and ENCORE Activity Report

|                   |  |       |                      |
|-------------------|--|-------|----------------------|
| Date:             | 05/04/2022   | Time: | 10:30 am to 12:00 pm |
| Venue:            | SE Class Room-226  |       |                      |
| Title of Program: | Expert Lecture on Challenges in Automation Industry            |       |                      |
| Guest Speaker     | Mr. Vinod Atpadkar,<br>Director and CEO of SVR Infotech , Pune |       |                      |

With Association of Industry Institute Interaction Cell (IIC) and Electronics N Communication Organization of Realistic Engineers (ENCORE) organised the Expert Lecture on Challenges in Automation Industry for the Students of SE,TE and BE of E&TC Department

Mr. Vinod Atpadkar was an Expert with highly organized , motivated and creative Professional with years experience in Sales.Technical expert in the area of CAD/CAM/CAE and 3D Printing.

SVR InfoTech is a technology startup from Pune working in different domains including robot engineering consultancy and services, techno-commercial partner for FEAST developed by VSSC ISRO.

Mr. Vinod Atpadkar discussed on The SCARA Robot is extremely user-friendly, with a very intuitive super-compact robot control unit.The MELFA BASIC IV robot programming language has a very short learning curve and while have you creating powerful and efficient program in no time. You can work in online or offline mode you like, and project simulation on standard PCs is also possible.

A flexible manufacturing system (FMS) is a production method that is designed to easily adapt to change the type and quantity of the product being manufactured. Machines and computerized systems can be configured to manufacture a variety of parts and handle changing levels of production.

A flexible manufacturing system (FMS) can improve efficiency and thus lower a company's production cost. Flexible manufacturing also can be a key component of a make-to-order strategy that allows customers to customize the products they want.

Such flexibility can come with higher upfront costs. Purchasing and installing the specialized equipment that allows for such customization may be costly compared with more traditional systems.
